1) The two Account Probationers - Messrs. V. T. Srinivasan and Y. Subramanyam are duly qualified for confirmation and the Comptroller recommends their confirmation from the date of completing their probationery period. This may be approved.

The Comptroller proposes that one of these may be posted to the Civil Branch and the other to the Railway Audit Office. The position of Gazetted Officers in the Comptroller's Office is now as under:-

The sanctioned cadre of officers is 12[x] and this includes one for the post of Financial Assistant to the Chief Commandant, one for the post of Financial Assistant to the Inspector General of Education and one for the post of Financial Assistant to the Chief Electrical Engineer. There are in addition two posts - one temporary on Rs.250 and one on Rs.250-20-350 in the Electrical Department which are not included in the above 12 posts. The Officers now holding the charges are as under:-

Railway Audit Office.	Mr.E.V.Ganapathy Iyer.	Civil Service.
	" R.Putturaj Urs.	Civil Service.
Military Department.	" H.V.Srikantiah.	Direct recruitment.
Education Department.	" A.Narasimhachar.	S.P.T.(Non-Civil Service.)
Electrical Department.	" M.A.Srinivasan.	(Civil Service) This post is ordered to be reserved for a Civil Servant.

2) According to the order of fixing officers to the Civil Service, Non-Civil Service and direct recruitment, four are to come from each class. It will be seen from the above distribution that there are now 5 Civil Service Officers holding charges, 1 direct recruitment and 6 Non-Civil Service Officers there ~~are~~ is therefore one excess under Civil Service, and 2 under Non-Civil Service. There are three officers now to be absorbed viz., the Two Account Probationers proposed above and Mr. M.Shamanna, a Civil Service Officer, who is in the Comptroller's Office for over two and half years. The absorption of Mr. Shamanna and reduction of the 5 Civil Service Officers to the sanctioned cadre of four may be effected perhaps by sending away to the General Department Mr. Viraraj Urs and Mr. Ganapathi Iyer, the former of whom has put in over 7 years and the

latter 5 years service in the Comptroller's Office. This will reduce the number of Civil Service Officers to 4. The reorganization order provides for a Civil Service Officer under training in the Comptroller's Office. One from the general line may be posted for training in the Comptroller's Office. This is as regards the Civil Service. The places therefore for the two Account Probationers that are proposed to be confirmed will have to be found by reverting two non-Civil Service Officers. The last two officers perhaps have to revert.

3) The Comptroller's specific proposals therefore as to whom he proposes to revert to find a place for these officers may be invited.

1) Mr Srinivasan has passed the Civil Higher & Lower Examns & Mr Subramanyam Railways'. They have of course passed the Accts Higher (both of them in 1st class). So they have passed all the necessary examinations.

2) In his letter no 1085 E.S. dt. 6.3.25 it 1 yr & 3 months after these officers were recruited the Comptr on the suggestion of the Audit officer proposed that in a small state like ours these officers need not specialise in Civil or Railways ons. This suggestion has been approved. But the passing of this exam in addition was never perhaps intended as a necessary condition for confirmation & so these officers are entitled to confirmation may be confirmed

(10) The above arrangements will result in Mr K. Subramanyam acting Asst Comptroller reverting as Temp Y Asst Compr on Rs 250 fixed and Mr B. Subba Rau to revert from the latter place to a Supdts' place on Rs 250. Having acted as Asst Compr for over a year Mr K. Subramanyam is actually drawing Rs 275. and it will be a hard thing if he is to ~~lose a post~~ revert to Rs 250 for no fault of his own. It ~~would~~ is I think very necessary to convert the temp Asst Compts appointment on Rs 250 into a regular appointment on 250-25-450 as the officer filling it will be doing responsible work in the same way ~~as~~ as others & would be deserving of the same increments. However, about this matter, I shall submit a separate reference to Govt. S. Shamanna

22) The Comptroller's proposals are:-

(i) Confirmation of two account probationers, Messrs.V.T.Srinivasan and Y.Subramanyam as Asst. Comptrollers in the Non-Civil Service cadre against permanent vacancies from the 2nd and 3rd January 1927 respectively

(ii) Posting of Mr.V.T.Srinivasan to the Civil branch, Mr.K.Subramanyam now acting as Assistant Comptroller reverting to the temporary fixed pay Assistant Comptroller's place, and

(iii) Posting of Mr.Y.Subramanyam as Assistant Auditor, Mysore Railways, Mr.Ganapati Iyer being reverted to the general line after the return of Mr.Singracher from leave.

23) These account probationers are required to

to pass, under orders appointing them, all the prescribed departmental examinations according to the rules in force for the time being. In the order of ~~18th~~ 1st April 1925, Government approved of the proposals of the Comptroller ~~xii~~ that the account probationers should pass the Higher examinations in Railway accounts in addition to that in Civil and P.W.D. accounts.

24) Mr.V.T.Srinivasan has passed the Higher examination in Civil and Mr.Y.Subramanyam in Railways respectively. It is stated that they have appeared for the other part also. The point for consideration is whether the confirmation of these probationers should be subject to the passing of the examination in the remaining part or whether they may be confirmed immediately as recommended by the Comptroller. According to the Government of India scheme, Higher departmental examination for officers in Civil and Railway is in two distinct parts. When the appointment of these probationers were made in January 1925, passing of the Higher departmental examination in Civil including P.W. was contemplated. But as already stated, Government order of ~~18th~~ 1st April 1925, passed three months after the appointment, lays down that the account probationers be required to pass both in Civil(including P.W.D.) and Railway subjects. This view has been expressed by

Note—Contn. Sheet

by the Comptroller in his letter of 28th July 1926. He, however, considers that the passing of Higher examination in either of the branches may be considered as sufficient for confirmation. His recommendation may be approved.

25) The posting of Mr.Srinivasan to the gazetted vacancy in the Comptroller's office and the reversion of Mr.K.Subramanyam as proposed by the Comptroller are in order and may be approved.

26) As regards the transfer of Mr.Y. Subramanyam as Assistant Auditor, Mysore Railways, there are one or two points for consideration.

27) In another connection, the Chief Secretary has noted that it is desirable to retain Mr.T. V.Ganapathi Iyer in the Railway department for one year more, though he may be a supernumerary. The confirmation of Mr.Subramanyam and the retention of Mr.Ganapathi Iyer will necessitate the reversion of one other superintendent acting in the non-civil service cadre as assistant comptroller. This arrangement will affect either Mr.M.Krishnamurthi S.F.T. or Mr.A. Asst. Comptr.

Narasimhachar, Financial Assistant to the Inspector General of Education. Both these officers are acting as Assistant Comptrollers in the non civil service cadre for fairly long

NOTE.—Contn. Sheet

long periods and it would be very hard to disturb either of them from their present places. If there should be any difficulty for finding a place to Mr.Ganapathy Iyer in the General Department, he may perhaps have to be kept on temporarily in the Railway Audit Office as an extra officer, provided there is necessity for such an arrangement. The confirmation of Mr. Subramanyam in an existing non civil service vacancy should not be ~~made~~ contingent on providing a place to Mr.Ganapathy Iyer. That ~~xue~~ question has to be further examined in consultation with the Comptroller.

28) As regards the two other probationers, Messrs.Narayana Reddy and Loganatha Mudaliar who have not qualified themselves for confirmation, their period of probation may be extended by one year as already contemplated in the orders appointing them.

29) There is a representation from Mr.Loganatha Mudaliar addressed direct to Government that he may be appointed as a Civil Service Assistant Comptroller. He made a request for exemption from passing higher departmental examinations to entitle him for confirmation in the non civil service assistant comptroller grade and this was refused. His present representation is not in order.

Through the order of 1st April 1925 which prescribes that the Accountant Robertson should pass both in Civil (including P. WD) and Railway subjects has passed a matter after the appl there can be no doubt that this order was intended to apply to those officers also & the terms of their appointment do not preclude until they are confirmed the passing of any additional tests. In these circumstances I am unable to agree with the Comptr & the first step that Messrs V. S. Srinivasan and M. G. Subramanyam are entitled to confirmation though the former has passed only the higher Grade in Civil and the latter that in Railways. I am of opinion that their confirmation should be postponed until they have both the qualifications

31) I do not think it is right to insist on these officers passing both the exam^ns for earning Confirmation. Civil and Public Works – Lower and Higher – Exam^ns Constitute a Separate and Sufficient qualification for confirmation. The passing of a further exam^n in Ry papers – in the case of those who have passed the Civil and P.W exam^ns – and in ~~Civil and~~ P.W. papers – in the case of those who have passed Ry exam^ns – may be insisted on but not for confirming them. The period of probation is 2 years and this will right to require them to pass four exam^ns in this period Namely Local Accts Higher, Cr. D. Lower, Cr D Higher and the exam^n in Ry or Civil & P.W Papers. Due to the arrangement in force in British India (1) Civil and P.W and (2) Rys are Separate exam^ns meant for officers of two Separate Branches of the Govt Dept. If we insist on all these exam^ns being passed we have to require them to pass also the Military Accts exam^n, which is not possible

Final Note by the Second Member of Council.

Subject:— Confirmation of Accounts Probationers Messrs V. T. Srinivasan and Y. Subramanyam as Non Civil Service Assistant Comptrollers on Rs 250-25-450.

In Government Order No. 1557/C.B.210-23-6 dated 2nd January 1925, Messrs V.T.Srinivasan, B.A., B.Sc., and Y. Subramanyam, M.A. were appointed as Accounts Probationers for admission to the non-Civil Service cadre of Assistant Comptrollers on rendering two years approved service and on passing the prescribed examinations.

2. The Comptroller in his letter No. 420/Es. dated 30th November 1926 reports that these officers have passed the Government of India High and Lower Departmental Examinations prescribed for Officers of Indian Finance Department, in Civil and Railway Accounts respectively and that they have undergone the necessary training and shown diligence and application to work. He accordingly recommends that they may, under the terms of their appointment, be confirmed as non-Civil Service Assistant Comptrollers on Rs 250-25-450 in existing vacancies with effect from the date of expiry of the two years' probation viz., 2nd and 3rd January 1927.

3. The Comptroller states that Messrs V.T.Srinivasan and Y. Subramanyam have also sat for the recent examination in the Railway and Civil parts respectively held in November last.

4. In the order of 1st April 1925 issued after the appointment

appointment of these probationers Government directed that they should be asked to pass the Government of India Examinations in both the Civil and Railway branches but the question whether the confirmation of these Probationers should depend on their passing both the Civil and Railway Examinations was not considered.

5. I do not think it is right to insist on these officers passing both examinations for earning confirmation . Civil and Public Works -- Lower and Higher examinations -- constitute a separate and sufficient qualification for confirmation. T h e passing of a further examination in Railway Accounts in the case of those who have passed the Civil and Public Works examinations, and in Public Works Accounts in the case of those who have passed the Railway examinations may be insisted on, but not for confirming them. The period of probation is two years and it is not right to require them to pass four examinations including the Local Accounts Higher, in this period. The Dewan and the First Member agree in this view.

6. The confirmation of Messrs V.T.Srinivasan and Y. Subramanyam as Assistant Comptrollers in the non-Civil Service cadre may be graciously approved.

Comptroller to the Government of
His Highness the Maharaja of Mysore,
BANGALORE.

To

B. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of Mysore,
Financial Department, Bangalore.

Sir,

In inviting kind reference to Government Order No.1557/C.B. 210-23-6 dated 2nd January 1925 sanctioning the appointment of certain Account Probationers on probation for two years, I have the honor to state that Messrs. V. T. Srinivasan and Y. Subramanyam have passed the Lower and the Higher Departmental Examinations prescribed for officers of the Indian Finance Department in Civil and Railways respectively. They have appeared for the other parts viz., Railways and Civil respectively in the examination held last week. Mr. Srinivasan has had special training in the Civil Department and Mr. Y. Subramanyam in the Railway Department and they have both put in approved service and have given evidence of application and diligence. Their period of probation will be over by 2nd and 3rd January 1927 respectively.

There are at present four permanent vacancies in the non-Civil Service cadre and I recommend that both of them be confirmed and posted to the Civil Branch and to the Railway Audit Office respectively as Assistant Comptroller and as Assistant Auditor respectively on R.250-25-450 from the date of expiry of the period of probation.

I may add for the information of Government that the third Probationer Mr. Narayana Reddy has not yet passed the Government of India Examinations and has appeared for the Lower Examination this month and Mr. Lokanatha Mudaliar who was appointed in Government Order No.1320/C.B.110-25 dated 2nd December 1925 has not yet passed the

Government

Government of India Higher Examination. Their period of probation will therefore be extended by one year as contemplated in the orders appointing them.

Urgent

Sir,

I herewith enclose for consideration of Government an application regarding my confirmation in Service. I learn that a letter has been sent a few days back from the Comptroller's office to the Financial Secretary to Government recommending the confirmation of Messrs. T. T. Srinivasan and T. Subramanyam, Accounts Probationers. I have submitted a copy of the application to the Comptroller for being forwarded to you. But as it is desirable that the question of my confirmation is considered by Government along with that of these other Accounts Probationers and last orders should be passed in respect of the Comptroller's letter referred to above before the copy of my application submitted to the Comptroller reaches you, I am submitting the enclosed application direct to you.

As early reference to the Financial Secretariat may be necessary, I have instructed to mark this letter "Urgent".

I remain, Sir,
Your most obedient servant,
T. Loganatha Mudaliar,
Accounts Probationer.

Malleswaram,
Bangalore,
12th December 1926

To

The Chief Secretary,

to the Government of Mysore,

B A N G A L O R E.

Sir,

I beg to state that I have completed the one year of probation fixed by Government in their Order No. 1320/C.B. 110-25 dated 2nd December 1925 and am in charge of the Industries Audit Department during the absence, since the 24th ultimo, of Mr. K.R. Krishnaswamy Iyengar on leave. I submit the following for the consideration of Government in connection with my confirmation in service.

I sat for the Higher Departmental Examination in Accounts of the Government of India of May 1926 and passed in all the 4 subjects getting the required minimum of 40 percent in each but failed in the aggregate since I did not get 50 percent of the total marks. Owing to ill-health I could not study for the examination of November 1926. I applied to the Government for being treated as having passed the examination of May quoting the instance of Mr. R. Puttaraj Urs who was shown such concession in the Lower Departmental Examination of November 1925, under exactly similar circumstances. In reply to this the Finahcial Secretary to Government stated in his letter dated the 4th August 1926 to the Comptroller in Mysore that no exemption from passing the examination could be given. I learn that the reason for the difference in treatment is that the position of Mr. Puttaraj Urs is different from that of the Account Probationers since he is an Assistant Commissioner who has had to pass the Mysore Local Service Examinations - the two departmental examinations in the Government of India Accounts being in addition to them -

and that the concession shown to the Assistant Commissioners could not be shown to the Accounts Probationers.

Sometime back I received the Government order No. Fl.618-23- S & A 98-25-2 dated 28th July 1926 which fixes the duty allowances of Civil Service Assistant Comptrollers at Rs. 50/- except when they are employed as Financial Assistants either to the Chief Electrical Engineer or to the Inspector General of Education in which cases the allowance is to be Rs. 100/-. The non-civil Service Assistant Comptrollers do not get the Rs. 50/- duty allowance except when in charge of certain specified branches of work and they get only Rs. 50/- as allowance when working as Financial Assistants. Here again there is difference in treatment in favour of the officers of the Civil Service. I feel that in furtherance of the same policy preference may be given to Civil Service Assistant Comptrollers in selections for more responsible posts in this or any other department in the Government Service.

My position, even after I get confirmed as a non-Civil Service Assistant Comptroller, will thus be considerably worse than that of a Civil Service Assistant Comptroller. I too had as bright a career at school and at College as most of those who passed the Mysore Civil Service Examinations of 1917 and 1919 and would have been successful at the examination of 1917 but for the unfortunate choice of Mathematics as my optional subject and certain other circumstances connected with that examination. I was appointed a Revenue Probationer in March 1918 and by May 1920, passed all the six Local Service examinations (Civil Parts I & II, Revenue Higher, Registration, Criminal Higher and Accounts Higher) that the Assistant Commissioners were required to pass. As a Revenue Probationer I received all the training in the Revenue Department that an Assistant Commissioner was required to have except training in elementary engineering and in Horse riding. The Government is already aware of the work that I did in England

and the difficult and useful examinations in Accountancy, Commerce, Insurance, Statistics and Railway Traffic passed by me there. I request that in consideration of these facts, the Government may be pleased to appoint me as a Civil Service Assistant Comptroller with effect from 5th December 1926 so that I may obtain the benefit of the advantages attached to that status.

I may be permitted to take this opportunity to state that though I am about the best qualified of the Mysore Government Scholars sent abroad to study Economics, Commerce and kindred subjects, I have had the singular ill-luck of having received the lowest salary of them all.

If I had returned to India in 1924 after I sat for the London B.Com. examination I would have had the best chances of being appointed a Professor of Mathematical Economics a post which then carried a salary of Rs. 300/-, now raised to Rs. 350/- and likely to be raised, I believe, to Rs. 400-30-700. I had applied for the post, but as the Government preferred to extend my scholarship for a third year for the study of Accountancy, I could not get that appointment. And even after this further year's study I obtained a far lower starting salary. Nextly some of the foreign Scholars now in Service have been given allowances ranging from Rs. 80/- to Rs. 120/- in addition to a higher pay than mine. I believe that the allowances were given to them only in consideration of their foreign qualifications. The question of granting an allowance of about Rs. 100/- to me may now at least be considered and I may be confirmed as a Civil Service Assistant Commissioner on Rs. 350/- in the grade of Rs. 250-25-450, this sum being the equivalent of the minimum pay of Rs. 250/- in the grade plus a "foreign qualification allowance" of Rs. 100/-.

I may be permitted to point out what the effect would be of a refusal to appoint me as a Civil Service Assistant Commissioner. According to the Government order No. Fl.618-23 S & A. 98-25-2 dated 28th July 1926 I would, as a non-Civil Service Assistant Comptroller, get lesser duty allowances than the Civil Service Assistant Comptrollers. From the economic principle that, other conditions of service being one and the same, a larger payment is made to one employee than to another only when the quality or quantity (or both) of the work done by the former is superior, the lesser allowances in my case would mean that the work turned out by me is likely to be inferior to that of the Civil Service Assistant Comptrollers and this in spite of my high foreign qualifications in Accountancy, Commerce, Economics and allied subjects which qualifications none of them possess.

I learn that a letter has been sent from the Comptroller's office to the Financial Secretariat regarding the confirmation of Messrs. V.T. Srinivasan and Y. Subramanyam, Accounts Probation and request that this application may kindly be considered along with it. I may be permitted to state that if there is no vacancy amongest Civil Service Assistant Comptrollers, I may kindly be appointed in that cadre against a vacancy among the non-Civil Service Assistant Comptrollers following the precedent of the case of Mr. M. Viraraj Urs.

I beg to remain,

Sir,

Your most obedient servant,

V. Loganatha Mudaliar,

Accounts Probationer.
